**FOR IMMEDIATE RELEASE:**

Ivanhoe Industries Inc. (Tullytown PA) is pleased to announce that it has converted all of its Safety Data Sheets to the new GHS format in advance of the 2015 deadline. The updated SDS can be used by customers in assessing the GHS Hazard Classification of formulations containing Ivanhoe products. E-mail requests to [info@ivanhoeindustries.com](mailto:info@ivanhoeindustries.com) to receive an SDS for any product of interest.
